Recommendation Letter

Mr. Dalibor Belic has joined the main office of Trans Europe Halles (Lund, Sweden) from February 2020 until August 2020. Trans Europe Halles (www.teh.net) is a European network of grassroots cultural centers and has 129 members.

Dalibor Belic came to join the office of our network with the 'Erasmus for Young Entrepreneurs' programme and stayed with us for six months. Dalibor is a very bright person, with a sharp mindset. He is structured, strategic and well organised, keeping track of his tasks and timings which go along with it. His stories and knowledge were a great asset to the team. He never loses his patience and proactivity. During his stay, the Covid-19 crisis broke out and Dalibor has always stayed optimistic, realistic and constructive, despite the highly challenging circumstances.

During his time at Trans Europe Halles, Dalibor has worked on improving our data systems and architecture; contributed to the team meetings and strategy of the membership of Trans Europe Hales; updating some content on and back-end issues of the website.

I can recommend Dalibor highly and I wish you good luck with his talents when you decide to hire him.
